Bob Null has been a member of LASFS for 30+ years; and, for most of those years, he has been productively busy in just about every aspect of the club.

And he was not just busy. When Bob was “on the job” and working on a project, it was a given that what he was doing would be done right. As I mentioned at the funeral, Bob was elected Vice-President of LASFS for 20, 6-month terms; and,

being the help-everybody person he was, he accrued many different responsibilities to the job of Vice-President. When his health began to deteriorate and he declined to run again for that office, we had to elect tag-teams of several people to be Vice-President because no one (ordinary) person could do a good job taking care of all of the duties Bob had made part of the job.

In my 35 years in LASFS, I found Bob to be the most indispensable person in the club. Just about every club member has good things to say about Bob. Indeed, just about every club member will say that “he was my best friend” or “I was his best friend” as Bob was helpful to all the members.

Now it is our turn to do a nice thing for Bob - we are going to hold a Memorial for a man whom we all hold dear.

Please note the calendar up above, as August 14, 2010, starting at 11:00 am, will be when we gather at our clubhouse and let everybody hear the nice things we previously only said to Bob (who was, in effect, everybody's “favourite uncle”).

The Board wishes to thank Cinema Anime for relinquishing its meeting date so that we can hold the Bob Null Memorial on Cinema Anime's regular Saturday.

*There will be a Special Election on Thursday, August 12, to fill the time remaining in
Bob Null's term of office on the LASFS' Board of Directors.*

(Continued from page 1)

Bob's siblings, noting Bob's commitment to LASFS, have called the club his second family, and many members of Bob's second family turned out at Bob's funeral to speak and bear witness to how much Bob meant to us. Both of Bob's families attempted to present what they knew of this wonderful person - to the amazement of all those present. As much as both families thought they knew this Renaissance man, it turns out that everybody was amazed as Bob always Knew Things.

But Bob never sought honors or thanks - he was just helpful to everybody because he honestly wanted to be helpful to people.

Bob's siblings have indicated that they will be at the Memorial at LASFS. I hope that other members of Bob's "First Family" also attend our Memorial. I believe that members of both of Bob's families have many memories of Bob which they can share with each other.

We will have many things to say and there will be many hours in which to say them. I expect that all of us will get both hungry and thirsty, so this me-

memorial will be a pot luck affair. **And, just so everybody does not bring just chips, dips, and desserts, those who want to bring food or drink to the Memorial, please contact Eylat Poliner at the e-mail address in the box below so that she can coordinate food and refreshments. (Eylat has done this before and she has experience in these sorts of affairs.)**

Bob cannot be replaced, but he *can* be remembered. Please come out to the Memorial and help us remember him.
